

The Australian Green Infrastructure Council (AGIC) is seeking feedback from infrastructure professionals to assist with the development of a robust, user-friendly Rating Toolkit and complementary training programs.

When developed the Sustainability Rating Toolkit and training programs will be available to members and industry professionals.

Survey responses will remain confidential and will be reported on AGIC's website and in the newsletter.

To assist AGIC with the Toolkit rollout, please complete the survey below and return it to:
Jo Drumond at eccell@bigpond.com

Section 1: Awareness

1. What is your profession? (Please circle)

- | | | |
|-----------------------------|----------------------------------|---------------------------------|
| 1 Administration | 15 Environmental Engineer | 28 Property Advice |
| 2 Arborist | 16 ESD/Sustainability Consultant | 29 Quantity Surveyor |
| 4 Asset Management | 17 Facilities Manager | 30 Road Infrastructure |
| 5 Civil Engineer | 18 Geologist | 31 Stormwater engineer |
| 6 Climate Change Consultant | 19 Geo-technical Engineer | 32 Structural Engineer |
| 7 Commissioning | 20 Government | 33 Student |
| 8 Community Consultation | 21 Hydraulic Engineer | 34 Surveyor |
| 9 Contamination | 22 Interior Designer | 35 Telecommunications |
| 10 Contractor/Builder | 23 Landscape Architect | 36 Town Planner |
| 11 Developer/Owner | 24 Lawyer | 37 Valuer |
| 12 Ecologist | 25 Lighting Designer | 38 Water Sensitive Urban Design |
| 13 Electrical Engineer | 26 Manufacturer/Supplier | |
| 14 Energy Consultant | 27 Project Manager | |

2. How did you find out about AGIC? (Please tick)

- | | | | |
|--------------------------|------------------------------|--------------------------|----------------------------------|
| <input type="checkbox"/> | Word of Mouth | <input type="checkbox"/> | Publication |
| <input type="checkbox"/> | Website | <input type="checkbox"/> | Meeting with AGIC representative |
| <input type="checkbox"/> | Other – please specify _____ | | |

3. Choose one of the following statements which best describes your understanding of the purpose of AGIC?

- 1 A vehicle to develop a Rating Tool to promote sustainable infrastructure?
