

Volunteer with us

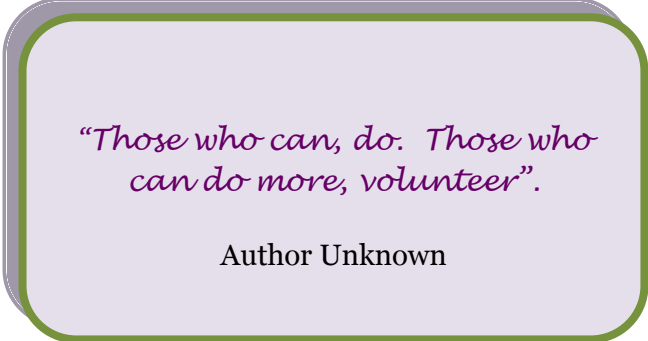

The Australian Green Infrastructure Council is an organisation founded and driven by volunteers. Without passionate, dedicated individuals, we would be unable to achieve our mission of being the principal industry catalyst for advancing sustainability in the design, construction and operation of Australian infrastructure.

Who can volunteer?

Anyone 18 years and over with an interest in sustainability is eligible to volunteer.

Why volunteer? Benefits of being an AGIC Volunteer.

- Gain new skills
- Gain work experience and expand your CV
- Explore career opportunities
- Learn something about yourself
- Meet new people
- And more!

“Those who can, do. Those who can do more, volunteer”.

How you can volunteer

Apply for a Volunteer Position

If you're over 18 you can apply to volunteer for AGIC. Visit the AGIC website to view the current volunteer positions available. *Coming Soon!*

Apply to the Volunteer Register

If there isn't a vacancy that appeals to you, apply to our volunteer register so we can contact you if a suitable position becomes available. We advertise vacant positions, and it's a good idea to log in regularly and view what's new. *Coming Soon!*

Questions?
